

Pennsylvania
First Energy Code Collaborative
September 12, 2013, 10:00 AM- 1:00 PM

Location: Hilton. One North Second St, Harrisburg, PA

PARKING: Walnut Street Parking Garage, at the corner of Walnut and Court Streets.

Take the parking garage elevator to FLOOR A (which takes you to the 2nd floor of the Hilton). When you exit the elevator, see Starbucks and go right. Directly ahead of you is the hotel gift shop, which can validate your parking for you for \$5 (otherwise it will cost you more if you pay in the garage – don't do that). The front desk can also validate your parking for you for \$5.

Agenda

1. Welcome & Introductions—10:05-10:15

2. Introduction to Collaborative Project & Meeting Goal—10:15-10:25

- **Meeting goal:** To form an Energy Code Collaborative for the state of PA
- Other state's achievements

3. Overview of Status of Codes in PA

- Gap Analysis—10:25-10:45
- Status of Adoption—10:45-10:55
- Education Resources—10:55-11:05

4. Identifying Key Issues for PA—11:05-12:00

- Discussion of priorities and goals
- What can we do as a group to assure good compliance and uniform enforcement? In what time period can this be achieved? And, how will we know when we get there?

5. Group Structure and Next Steps—12:00-12:30

Discussion questions:

- Who is missing from this group that should be invited to the next Collaborative meeting?
- Do we want a specific composition structure? (e.g.: 2 representatives from each sector?)
- How can we ensure statewide coverage?
- Set next meeting date and next steps

6. Lunch and camaraderie—12:30-1:00
